Now is the time to plant magnolia and other evergreens. 335 Main street. BISHOP QUINTARD'S MISSION.

The Board of Trustees of the Univerong and anxiously discussed the future glect visiting this establishment bef respects of the University. While the reatest gratification was felt and expressed at the success which had hitherto attended it, there was a profound feel-CIGAR LITERATURE. attended it, there was a protound leering of the necessity of securing what
had already been accomplished, and
building upon the foundations so well
hald; all felt that we were upon the
threshold only of the great work, which
the Church and the wisdom of our
influence of a good cigar such as Witthe Church, and the wisdom of our influence of a good cigar such as Wit-revered fathers in the Church, had deupon the task of raising an endowment, commensurate with the importance of our work, and the necessity of building up the University to the measure of the needs and expectations of the Church and country. An endowment of five hundred thousand dollars was believed to be the least sum to which we should limit our present efforts. This conclusion having been reached, the next question was, how shall we present efforts. This conclusion having been reached, the next question was, how shall we present efforts. This conclusion having been reached, the next questions are the comfort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufacturer who can supply the confort of going into a merchant or manufact hundred thousand dollars was believed to be the least sum to which we should limit our present efforts. This conclusion having been reached, the next question was, how shall we proceed to raise the amount? With entire unanimity, all minds were directed to the Bishop of Tennessee, upon whose devotion to the University, evidenced in so many labors in its behalf, all felt we might safely count. The following resolution was at once agreed upon and passed:

Resolved, That for the purpose of raising a fund of not less than five hundred thousand dollars as an endowment of the University of the liquors, wines from Porto and Bordeanx and Chalons; whiskies from Scotland

Resolved, That for the purpose of raising a fund of not less than five hundred thousand dollars as an endowment of the University of the South, the Rt. Rev. Bishop of Tennessee.
